# HAVE A THEME

From *superheroes* to your favorite *sports teams*.

Having a theme for Teacher Appreciation Week is a fun way to celebrate and it will help guide the week's activities!

# SELECT YOUR ACTIVITIES

What will make your teachers feel the *most special*?

If you are using a theme, try to pick activities + celebrations to correlate with the theme you have chosen!

For example, if I have chosen a movie/Hollywood theme - *Star of the Show* - my activities + celebrations may include...

Honor teachers with an "Oscar" for different teacher-related categories.

Give two tickets for a screening at a local theater.

Serve popcorn + other traditional movie snacks in the teacher's lounge.

Roll out the "Red Carpet" for teachers.

Ask students + families to write 'fan mail' to their teacher.

**'Donut' Know What We  
Would Do Without You!**

*coffee and donuts for all staff*

**We Couldn't Have 'Picked'  
Better Teachers!**

*fresh fruit in the staff lounge*

**There's Muffin Like a Great Teacher!**

*muffins + juice delivered  
to teachers*

**You Are All That AND a Bag of Chips!**

*sub sandwich and chips for lunch*

## **DAY BY DAY**

**A theme is not a must!**

While a theme can be fun, it certainly is not required to show your teachers how much you value + appreciate them.

Here are some of our favorite activities + celebrations to use all week long!

# APPRECIATION DOES NOT = MONEY

Show appreciation with these  
free or low-cost ways!

There are many ways to show  
appreciation when funds are  
limited. Get creative!

## Cover a Class

Show your appreciation as  
a leader by covering a  
class and giving your  
teachers an extra prep  
period!

## Thoughtful Letters

A simple letter expressing  
specific things you admire  
about a teacher goes a  
long ways!

## Take a Break

Do your teachers cover  
lunch duty? How about  
dismissal/arrival? Go  
all-hands-on-deck as a  
leadership team and  
give teachers that time  
back.
