# 3 Key Takeaways

A purple key with a white circular hole at the top and a serrated edge. A black line connects the hole to a callout box.

It starts with a conversation.

A green key with a white circular hole at the top and a serrated edge. A black line connects the hole to a callout box.

It's time to light the fire.

A cyan key with a white circular hole at the top and a serrated edge. A black line connects the hole to a callout box.

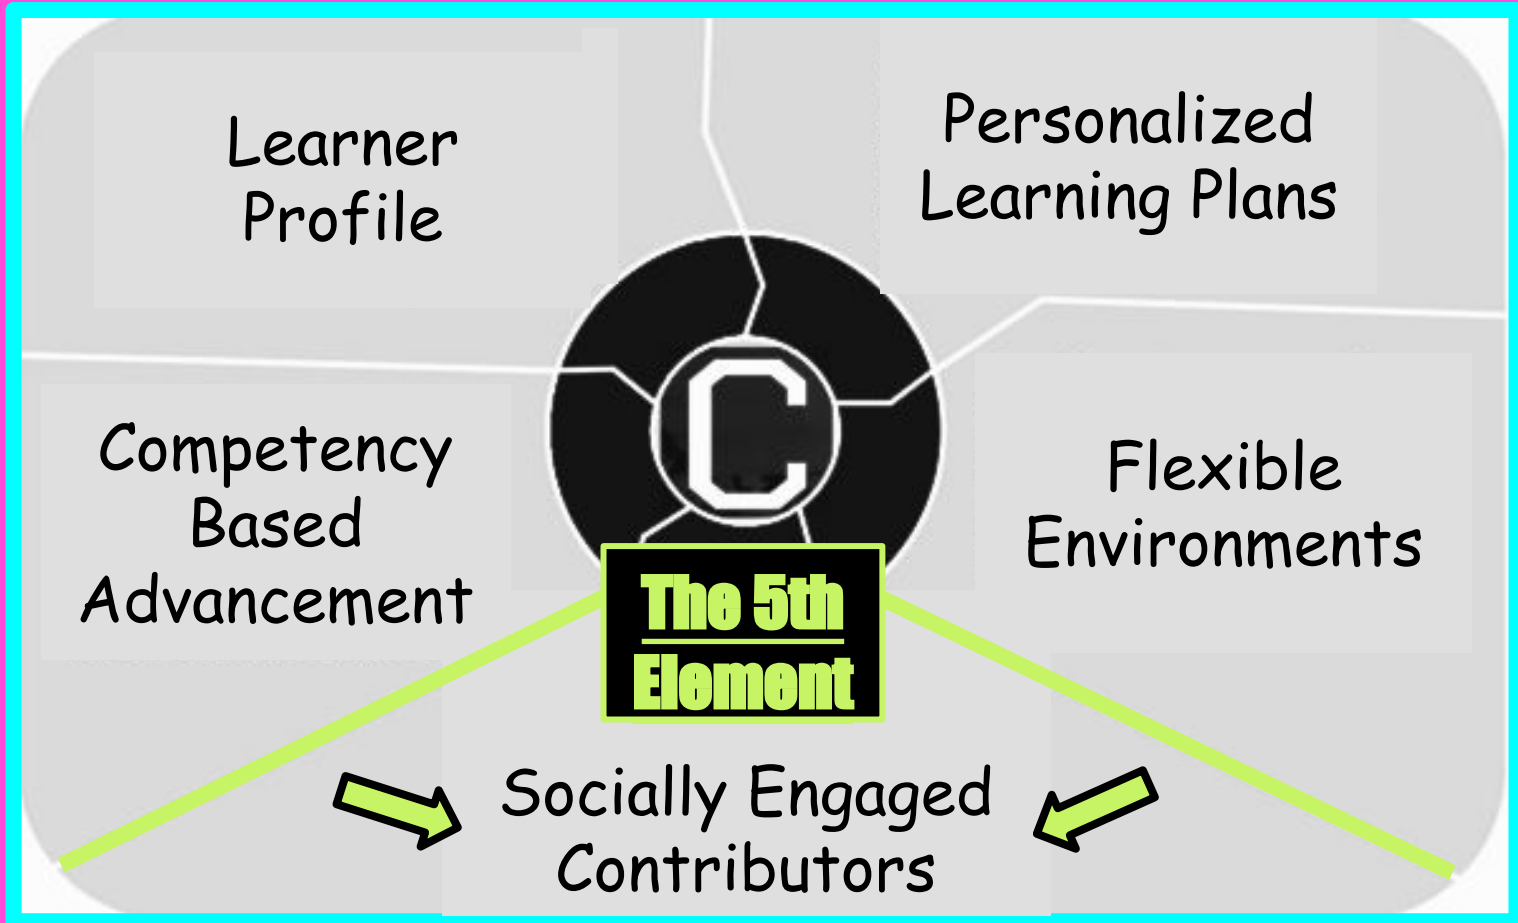

One size does not fit all.
