DETAILS ON SESSIONS + SPECIAL EVENTS

Tech Tours: All participants have been randomly assigned to 1 of 10 tech tours. Your tour number corresponds to a tech company that will be revealed on the bus on Thursday morning! Tour buses depart from the InterContinental San Francisco Hotel on Thursday, May 19 between 8:30-9:00am, depending on the tour route. Please wait in Ballroom A/B, 3rd Floor until your tour group is called so you don't miss the bus. You should return to the hotel around 11am and lunch will be served at hotel at 12:30pm.

Workshops: All of our workshops are organized around the [Education Elements PL Implementation Framework](#). Use your notebook and stickers to track the implementation areas you've learned about.

Maker Zone: Maker Zone sessions align with three areas of our [Education Elements PL Implementation Framework](#): instructional models, culture of innovation, and students as self-directed learners. The Maker Movement empowers students as creators – i.e., makers – with hands-on, project-based learning. In our Maker Zone, you'll learn how to design a makerspace, how to integrate new instructional models into your personalized learning strategy, and how to enhance the culture of innovation in your school or district.

Whova app: The complete workshop schedule and details about sessions and presenters is available on the conference app, [Whova](#). You can download the app using this link: bit.ly/plsummitapp and the code: **SanFrancisco**. The app will allow you to stay connected with the rest of the attendees, to see and share pictures, and to follow the Twitter feed of the event. Stay connected, and follow us using: [@edelements](#) and [#plsummit](#). Having issues downloading the app? Stop by the Help Desk in the Grand Ballroom Foyer and an EE team member will be happy to help you.
